

Bedford HCS HUD-VASH Person of the Day (VPOD)

The HUD-VASH Person of the Day (VPOD) is a designated staff member who is available to connect with Veterans who are requesting information about the HUD-VASH program or need to complete an application. Applications can be taken over the phone or in-person depending on availability of staff on site and convenience for the Veteran. HUD-VASH encourages Veterans to use the Bedford HCS HCHV daily walk-in clinic for immediate housing needs and as another means of completing a HUD-VASH application in-person.
